TROY LIGHTING

The wattage listed for each fixture is the maximum safe capacity. Recent government actions have restricted the availability of standard incandescent lamps. Decorative incandescent as well as (medium base) halogen, LED and CFL will continue to be available alternatives.

The wattage listed for each fixture is the maximum safe capacity. Government standards restrict the availability of traditional incandescent lamps. Decorative incandescent lamps will continue to be available, as well as medium-base halogen lamps, LEDs, and CFLs as energy-efficient alternatives.
