LAWTON  
lighting

[emac-lawton.com.au](http://emac-lawton.com.au)

## WELCOME

Emac and Lawton is excited to showcase our dazzling  
2015 collection of lighting brilliance.

From contemporary handcrafted copper industrial pendants, to French  
inspired crystal chandeliers, our new innovative range creates exquisite  
ambiance to light up any interior.

# DESK COLLECTION

A photograph of two desk lamps. The lamp on the left is the Brentwood model, featuring a curved neck and a conical shade, with a silver and brass finish. The lamp on the right is the Newcastle model, featuring a straight neck and a conical shade, with a silver finish. Both lamps are illuminated, casting a warm glow. They are placed on a dark wooden surface, with a potted cactus visible on the left side of the frame.
