

The World's First Classic Looking LED Bulbs

LiquidLEDs
LIGHT, YEARS AHEAD.

About LiquidLEDs

LiquidLEDs Lighting PTY Limited is established in Sydney January 2010. We have been in research and development of LED lighting technologies since 2007. Prior to that, we were manufacturing incandescent light bulbs before switching to new solid-state lighting technology.

In 2008 we were the first company to introduce Liquid Immersed Thermal Management Solution™ technology, a special liquid solution that vastly improves the quality of LEDs, its heat dissipation, enhance energy-savings and prolongs the life span of the globe.

We have then created first LED filament bulb that is designed to replace traditional lighting solutions like the incandescent light bulb. The design of the LED filament was inspired by the classic design of the Edison light bulb combined with 21st century LED lighting technology.

Our Mission

To be the global leader in innovative, classic looking LED bulbs, deliver highest quality product with superior customer service.

Candle LED COLLECTION

Description	Watts	Replace	Lamp base	Bulb Size	CCT	Lumen	Dimmer	CRI
Candle Clear	3.5	25W	E14, B15, E27 B22	Ø33×95	2600k	240	Yes	78
Candle Frost	3.5	25W	E14, B15, E27 B22	Ø33×105	2600k	220	Yes	78
Flame Tip Frost	3.5	25W	E14, B15, E27 B22	Ø33×105	2600k	220	Yes	78
Flame Tip Clear	3.5	25W	E14, B15, E27 B22	Ø33×105	2600k	240	Yes	78
Filament Candle	4.0	35W	E14, B15	Ø33×95	2600k	320	Yes	80
